Dear Ms. McMullan:

As you are aware you catered a breakfast meeting held in the offices of the Alberta Blue Cross Plan on November 28, 2002. This meeting was attended by approximately 50 business leaders in Edmonton.

I wanted to compliment your organization on the excellent service we received. The young man, (whose name I believe is Kwesi), who delivered and served us our breakfast was very efficient and personable, and deserves to be recognized by your organization as an excellent employee.

I would not hesitate to recommend your facilities to other business associates and acquaintances.

Best wishes to you and your staff during the holiday season.

Sincerely,
