Mr. Tom Goodchild,

Dear Tom,

I would like to express my gratitude for the extremely successful - never to be done before - "Night of a Thousand Winners." Your overwhelming professionalism was evident throughout the entire evening. The way in which your staff performed all day and into the night was truly remarkable. Their congenial and harmonious conglomeration of working together set the highest standard for the evening. Your teamwork put "class where it belonged," and was a superlative in defining the way of putting on the event of the year.

The accolades with respect to the food, without my saying so, were exceptional. The feedback from the whole Citadel family has everyone talking. Joe Shoctor was smiling that night, with sure - he always wanted his friends to celebrate in the theatre.

Lastly, I want to thank you for your generosity and thank your catering staff, the Chefs, & Len for your unbelievable ability to put on the impossible dream of "Joes." I was proud of this event and you and yours made it possible.

Sincerely,  
Maureen Heene
