Dear Tom and Len,

On behalf of the Edmonton Eskimo Football Club, I would like to thank you for your dedication and support throughout the 2005 football season. We appreciate the excellent service that we received from everyone at the Sawmill Restaurant Group.

The many different functions that we had throughout the season from our Tailgate Parties, to the Green & Gold Club to Player meals were all successful. We had many last minute requests and they were always executed. Staff always went out of their way to accommodate our needs. In Tailgate they enjoyed an outdoor BBQ on field level. In the Green and Gold Club the members always had a large variety of items to choose from in the buffet. The members commented on the quick and friendly beverage service in the Green and Gold Club. Both Tailgate and the Green & Gold Club are venues that do not have cooking facilities and the Sawmill was able to provide great food despite these challenges. The players enjoyed their meals at the Moose Factory in the Sterling room and have since requested to have other meals there.

I would highly recommend the Sawmill Restaurant Group to anyone looking for a venue for an event or for off-site catering. They go out of their way to make sure that the event will be a success. We look forward to continuing our partnership with the Sawmill.

Sincerely,

Greg Treble
