Reference for Sawmill Banquet & Catering Centre

TELUS is pleased to have contracted the Sawmill Banquet & Catering Centre to provide catering to our offices during the month of September 2005.

Over a period of 13 days, the Sawmill served breakfast, lunch, dinner and late night snack - a total of approximately 2,200 meals per day.

The menu creativity and food quality were exceptional and received many favorable comments from our staff. Delivery and execution was made in a timely and efficient manner, and we were particularly impressed considering the volume of this job and that it took place in several locations throughout our two downtown office towers.

In what at times were adverse conditions due to our labour dispute, the personnel and management team of the Sawmill Banquet & Catering Centre conducted themselves with professionalism and dedication to get the job done.

We found that the management team was very accommodating and quick to respond as our needs changed constantly throughout the contract.

TELUS has subsequently utilized the services of the Sawmill Banquet & Catering Centre for several catering contracts since September and anticipate working with the company for future events. I would not hesitate to recommend the Sawmill Group to cater functions of any size or nature.
