Subject: VALUE DRUG MART FUNCTION

Dear Paul & Staff:

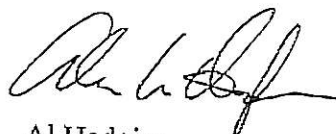

We would like to take this opportunity to thank you and your staff for the excellent service we received during our dinner function on Saturday, April 29, 2006. Not only did the food and ambience of the venue impress our storeowners, but also the service of your staff. You and your staff should be proud of the customer service you provided our group during our function.

Specifically, we would like to thank you Paul and Maria for coordinating the event and helping create the menus for the evening. As well, thank you Paul and Ivan for your assistance throughout the evening of the function. You helped the evening run as smoothly as it did. We would also like to commend your servers for the wonderful service they provided our storeowners. They worked in a very professional manner ensuring that drinks were filled, the food was served and our storeowners were taken care of. We would also like to thank the kitchen staff for providing us with the wonderful food that was served during the evening. Everything was well presented and tasted great. A job well done on their part!

We hope that you pass on our appreciation to these people. We have also enclosed a cheque for the amount owing for the evening. Please also note that we have included an additional \$750 and hope that this will be divided among the staff that helped with our function. Thank you again for providing us with such a wonderful evening!

Sincerely,
